Cilji in kompetence:

Cilj tega predmeta je seznaniti študenta s področjem prava migracij in azila. Poudarek je na prepletu različnih pravnih sistemov na tem področju (pravo Evropske unije, mednarodno pravo (človekovih pravic), nacionalno pravo. Študentje bodo pridobili razumevanje pravnih problemov na tem področju, s katerim bodo lahko pristopali k praktičnim pravnih problemom in jih kritično razčlenili.

Objectives and competences:

The purpose of the course is to provide a student with knowledge in the field of migration and refugee law. The emphasis of the course is on making the student aware of the interplay of the different legal systems in this area of law (EU Law, international (human rights) law, national law). The students will obtain an understanding of the legal issues in this area that will enable them to approach practical legal problems and critically analyse them.

Predvideni študijski rezultati:

Študentje, ki bodo opravili ta predmet, bodo imeli specializirano znanje in razumevanje pravnih vidikov tega pravnega področja ter pregled nad temeljno sodno prakso in glavnimi zakonodajnimi rešitvami na tem področju.

Intended learning outcomes:

The students who complete the course will have specialized knowledge and an understanding of the legal aspects of the field of migration and refugee law, an overview of fundamental case law in the area and a command of the essential legislative solutions adopted at EU level.

Metode poučevanja in učenja:

Predavanje (podajanje teoretičnih znanj, analiza zakonodaje in sodnih odločb)
