Cilji in kompetence:

--

Objectives and competences:

The purpose of the course is to provide a student with a knowledge and understanding of Diplomatic and Consular Law as one of the legal sub-disciplines of public international law. In order to upgrade the theoretical knowledge students develop the ability to resolve the concrete practical issues by analysing the relevant treaty provisions and case-law of the International Court of Justice and other international judicial bodies and tribunals.

Predvideni študijski rezultati:

--

Intended learning outcomes:

<p>After the concluded assignments a student will be capable to understand the international regime of Diplomatic and Consular Law and will possess fundamental skills and expertise necessary for dealing with this issue. Accordingly, a student will be capable to interpret individual concepts and to skilfully apply them in practice.</p>
