**Temeljni literatura in viri / Readings:**

Janko Prunk, A Brief History of Slovenia, Ljubljana several editions

Sergij Vilfan, Rechtsgeschichte der Slowenen. Graz 1968

**Cilji in kompetence:****Objectives and competences:**

The course gives the foreign students some basic information on historical development of political units on present Slovenian territory as well as the most typical lines of development of the law in force in the same territory.

**Predvideni študijski rezultati:**

Znanje in razumevanje:

**Intended learning outcomes:**

Knowledge and understanding:

The aim is to give a foreign student an insight of the country to which she/he came. This includes basic information on political history, the development of Slovenians from a people to a nation and specific character of some legal institutions in their application among Slovenians. Political and social history are mainly presented from its legal side.

**Metode poučevanja in učenja:****Learning and teaching methods:**
